

Year 5 Newsletter

ENGLISH

We will use short animations, our class book and a music video to write a film review, poems, narratives and character descriptions. These units are designed to spark creativity, build confidence, and develop a strong sense of voice.

CLASS TEXTS:

Kensuke's Kingdom by Michael Morpurgo

The Phantom Tollbooth by Norton Juster

HISTORY & GEOGRAPHY

Invaders and Settlers

We will study the Anglo Saxons and Vikings; their settlements and way of life.

The Amazon

We will study a range of geographical concepts and skills through the lens of The Amazon's unique physical and human geography.

MATHS

We are consolidating many mathematical skills and concepts including place value (up to 100,000), formal written methods for the four operations (+, -, x and \div), solving multi-step word problems and fractions. Within each area, the children are encouraged to solve problems and find patterns to deepen their understanding.

SCIENCE

We will study forces, properties of materials and living things and their habitats. We will also work scientifically to identify and control variables.

R.E: What does it mean if Christians believe God is holy and loving?

P.E: Football & Tag rugby

PSHE: Health and Safer Lifestyles, Relationships and anti-bullying.

COMPUTING: Sharing information, creating media and video editing

SPANISH: The weather, family and friends

CLASS EMAILS:
