

Year 6 Newsletter

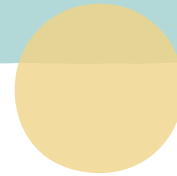

ENGLISH

Year 6 will explore a variety of exciting writing styles. They will learn how to write in the style of an autobiography, inspired by the life and work of Dr Barnardo. We'll also be diving into the rhythm and expression of slam poetry, crafting vivid character descriptions, and writing a narrative based on the real-life experiences of an extreme cyclist.

CLASS TEXTS:

Street Child by Berlie Doherty
Cloud Busting by Malorie Blackman.

HISTORY & GEOGRAPHY

'Black British History.' We will explore the long-standing presence and contributions of Black people in Britain, spanning over 2000 years.

'Natural Resources in Northern Chile.' We will study a range of geographical concepts and skills through the lens of Chile's unique physical and human geography.

MATHS

In Maths this term, we are consolidating many mathematical skills and concepts including place value (up to 10,000,000), formal written methods for the four operations (+, -, x and \div), solving multi-step word problems and fractions. Within each area, the children are encouraged to solve problems, find patterns and deepen their understanding.

SCIENCE

Electricity: Building Circuits

The Human Body: A Healthy Heart

R.E: Why do people think God exists?

P.E: Basketball, football, gymnastics and handball

PSHE: Beginning & Belonging Rules, rights and responsibilities

COMPUTING: Communication
Designing websites

SPANISH: Clothes and School life
